Projet mis en œuvre par Expertise France

# Basics of a CSIRT: Software environment

Objectives / Overall organisation  
Working environment

Accra (Ghana), 9 – 13 August 2021

OCWAR-C

ORGANISED CRIME: WEST AFRICAN RESPONSE ON  
CYBERSECURITY AND FIGHT AGAINST CYBERCRIME

OCWAR-C

(Ghana) August 2021

# Opening remarks

EUROPEAN UNION

# Covid 19 is there, for real, so

**Coronavirus: What you need to do**

|                        |                                |                                 |
|------------------------|--------------------------------|---------------------------------|
|                        |                                |                                 |
| <b>Wash your hands</b> | <b>Use a tissue for coughs</b> | <b>Avoid touching your face</b> |

## The team of instructors at OCWAR-C Project

- Marcus Adomey
- Franck Kouyami
- Joseph Jones
- Raoul Chiesa
- Selene Giupponi
- Rabiyatou Bah
- Michel Benedittini
- Hein Dries
- Perpetus Jacques Houngbo
- Hismael Ouedraogo

- Name
- Institution, country
- One specific need / expectation

# Objectives, Overall organisation - Working environment

- Audience
  - You are people with
    - Knowledge of network design & monitoring / IP addressing / Internet usage skills.
    - Knowledge of internet, internet protocols, challenges of digital economy
    - Knowledge of basic Linux system administration commands and navigation
    - Familiarity with the bash command line/shell of a Linux operating system
- Objectives
  - Accustom you with a set of tools that facilitate your daily work
- Overall organisation
  - Lectures
  - Hand-on
  - Reflections on practical cases
- Working environment
  - This IT Training Lab
  - Internet access

# Internet access

- IAC
  - Josha 10:10-15
- OCWARC
  - freewifi
- OCWARC - 1
  - freewifi

# Test for selection and another test at the end of the course

- Test for selection
  - In order to make sure you meet the requirements and that you will not be the element who will slow down the flow of the training
- Another test at the end of the course
  - To provide evidences of the improvements you've made

Let us start

EUROPEAN UNION

Thank you
